

Flipped Screen Fix

- Login under your teacher account
- Hold the following keys down at the same time

While holding the CTRL and ALT key down at the same time, press the arrow in the direction you want to move the screen.

FOR CHROME BOOKS:

1. On your **Chromebook** keyboard, hold down **Control + Shift + the circular arrow** (in the top row of the keyboard)... this will **rotate** the **screen** 90 degrees.
2. Press Control + Shift + the circular arrow again to keep rotating your **screen**... Repeat until it's back in the right direction!
