

# Sign into Google Account

In order to access Google Classroom,

**ALL students and teachers must be logged into their Google Profile.**

**IMPORTANT Even if you are logged into CLEVER, you still need to be logged into Google in order to access Google Classroom!**

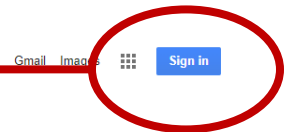

*The good news is that once it is done, you won't have to login again unless someone else logs into Google on the same computer.*

All students have an email account. The password is printed on the stickers that includes their ID#.

**Student Email:** [ID#@stu.bisd.us](mailto:ID#@stu.bisd.us)

**Student Password:** *(Student Passwords Sent Via Excel Spreadsheet)*

1. Go to Google
2. Click Sign In

Google

Google Search

I'm Feeling Lucky

3. Sign in with your BISD email.

A screenshot of the Google sign-in page. An arrow points from the text '3. Sign in with your BISD email.' to the 'Email or phone' input field. The page includes the Google logo, 'Sign in' text, 'Use your Google Account', an input field for 'Email or phone', a 'Forgot email?' link, a note about Guest mode with a 'Learn more' link, a 'Create account' link, and a 'Next' button.

Next

4. Choose G Suite Account

5. Enter your email password.

6. Click Next

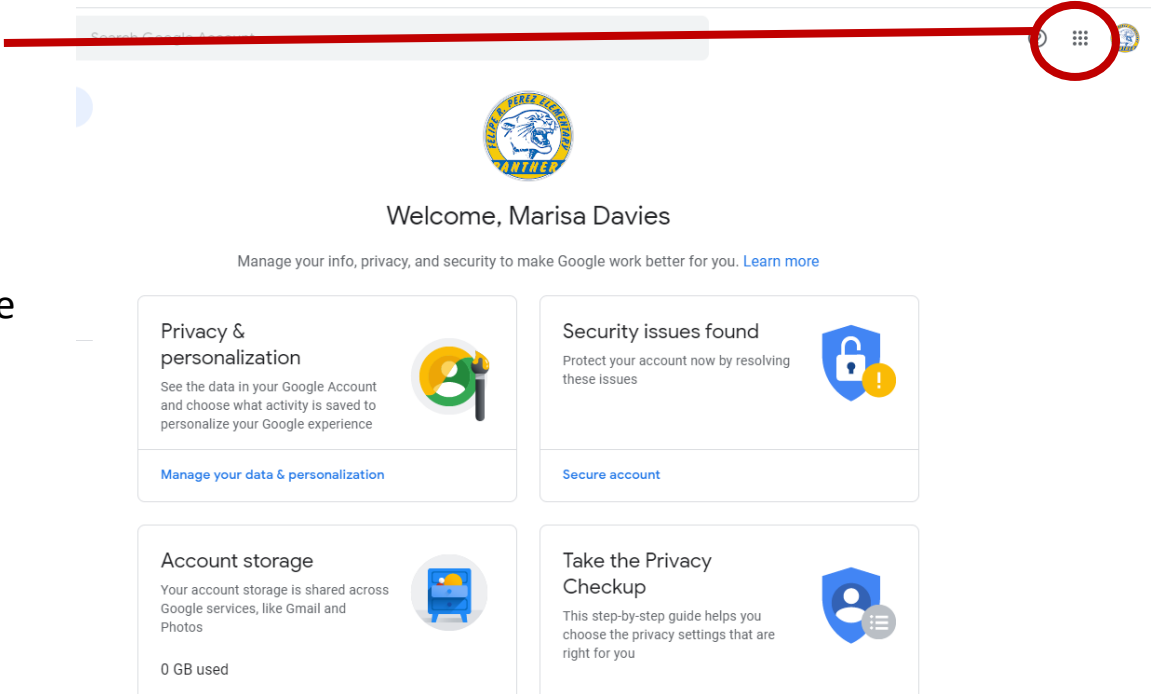

You will see welcome screen.

7. Click on the

 icon  
(waffle icon)

in top right  
corner to  
access Google  
Apps.

Once signed into Google, you can access apps through this menu or through CLEVER.

REMEMBER: You always have to be logged into Google in order to access Google Meets and Google Classroom.
